Notes on results

Three teams are in the results as DNF (did not finish): Ackworth Mixed A because their leg 2 runner was unable to run at the last minute; Penistone Men and Penistone Ladies B because their runners were taken ill during the race and were unable to finish their legs (4 and 7 respectively).

On both leg 4 and leg 7, several other runners stopped to help the runners who were ill, waiting until ambulances arrived, and hence lost a huge amount of time. In order not to disadvantage those teams that stopped to help, the times for legs 4 and 7 have been excluded from the overall times for the boundary race this year, and trophies awarded according to aggregate times for the other 8 legs.
